Thank you. We did need ESAT to help. I issued a verbal on wed at about noon. They are on their way home as of this evening. We will get the paperwork straightened out next week

Hi Dan.... (I'm out of the office on Fridays and sending from private email.)

I saw on the news about the mine waste spill into the river. I'm not sure if ESAT support is needed to help out. I am out of the office, but IF you need ESAT help with this, you can issue a verbal request and we can follow up with a written TDF on Monday.
